

Sermon: Overcoming Shame in Sharing the Gospel

Romans 1:14-17

Quentin Self | November 4, 2018

The fear of shame is your foundational barrier to sharing the gospel.

Core Value:

"We believe in personal evangelism because God works through individual believers to bring the gospel to the lost"

You can overcome shame in sharing the gospel...

How to overcome shame in sharing the gospel:

1. Feel the burden of sin's destruction in people's lives
(Romans 1:18-31)

2. Know how the gospel overcomes sin's destruction
(Romans 1:16b-17)

3. Let the gospel define your purpose and ignite your passion
(Romans 1:14-15)

Let your love for Jesus and for the lost be greater than your desire to preserve your own dignity.
